It wouldn't make sense to say  
I'm in love with you  
So I'm hiding in the noise of a love song  
I won't stand seeing your smile  
As you'll read those lines  
So I'm diving in the nowhere  
Of this love song

I'll sing it well  
I'll make it better  
See how it shines

The mirrors to my soul  
Are filled with foggy dew  
So I'm falling in the void  
Of a love song

I'll sing it well  
I'll make it better  
See how it shines

(spoken)  
I'm the singer you'll never love  
I'm the singer you'll never love  
I'm the singer you'll never love  
I'm the clown you'll never make up  
I'm the child you'll never wake up  
The wine you'll never drink  
I'm this road to nowhere  
And I've been grown up with fallen angels  
Yeah I've been grown up with fallen angels  
And I've been taught to speak like them  
To move like them to kill like them  
To weep like them to mess like them  
You know  
Huh I know the very bad ways  
As this old guy said before  
Hey girl take a walk on the blind side  
Where there is nothing to do  
Nothing to hope for  
Nothing to get hung about  
Yeah that's where I live

Without you  
Iâ€™m the lover youâ€™ll never sing  
Iâ€™m the lover youâ€™ll never sing  
Yeah Iâ€™m the lover youâ€™ll never sing  
Iâ€™m the lover youâ€™ll never sing  
Iâ€™m the devil youâ€™ll never kiss  
With 666 painted in my heart 6 6 6 huh  
Well I admit Iâ€™ve lost a little of my feathers  
And Iâ€™ve got some holes in my wings  
But I still can breathe with fire  
And I still can fly high in the sky  
And I still can I still can â€¦ Well â€¦ You know  
Thereâ€™s nothing right thereâ€™s nothing wrong  
With this love song  
And Iâ€™m standing there and Iâ€™m standing there  
Well  
It wouldnâ€™t make sense to say  
Iâ€™m in love with you  
So Iâ€™m hiding in the noise of a love song  
I wonâ€™t stand seeing your smile  
As youâ€™ll read those lines â€¦cause I know youâ€™ll smile  
So Iâ€™m diving in the nowhere  
Of this love song  
The mirrors to my soul  
Are filled with foggy dew  
So Iâ€™m falling falling into the void  
Of a love song  
Well â€¦ Iâ€™ll sing it well â€¦ for you  
Iâ€™ll make it better

(Singing)  
It wouldnâ€™t make sense to say  
Iâ€™m in love with you  
So Iâ€™m hiding in the noise  
Of a love song
