Lily eats alone  
She knows what it's like to be bad  
Lily sleeps alone  
She knows what it's like to be dead  
Lily goes insane  
Tears are dropping from the sky  
Lily feels the pain  
Rain is pouring from her eyes

You'll never know  
How much mad feels lily  
You'll never know  
How much sad is lily  
You'll never know  
How it feels when you're nowhere

Lily wants to live  
Wouldn't it be nice for her  
Lily takes the pill  
XTC will help her flying  
Lily goes insane  
Tears are dropping from the sky  
Lily feels the pain  
Rain is pouring from her eyes

You'll never know (you'll never know)  
How much mad feels lily  
You'll never know (you'll never know)  
How much sad is lily  
You'll never know (you'll never know)  
How it feels when you're nowhere
