The way you walk
The way you do
The way you breath
The way you play
The way you feel
The way you touch
The way you enter to my mind..
I love you!! x2

Hmmmm.
Hmm..
I love you
I love you!!

The way you smile
The way you talk
The way you kiss
The way you love
The way you look
The way you walk
The way you enter to my mind
I want you!! x2

I love you
I love you
Ooooh..
No mater what you do
And no mater what you go
I know
I love you
Ohh..just you and me
And i don't want nobody else
And i don't want nobody else
No
Ohh no..

The way you walk
The way you do
The way you breath
The way you play
The way you feel
The way you touch

The way you enter to my mind..
I love you!! x2

The way you smile
The way you talk
The way you kiss
The way you love
The way you look
The way you walk
The way you enter to my mind
I want you!! x2

No mater what you do
And no mater what you go
I know ã love you
Uuh..
No mater what
No mater when
No mater when
I just love you!!

I love you x7
