I am your Juliet
You are my Romeo
Your love gives me ride
like a rodeo (x4)

In the dark of night,
you told me it's over now
and soon I'll be alright,
but you didn't tell me when or how.

You tried to tell me a lie,
but I found the real thorn
you're only reason why
is the neighbourhood where I was born

I am your Juliet
You are my Romeo
Your love gives me ride
like a rodeo (x2)

Your father knows it best
I can only make you sad
'cos I am unlike the rest,
and don't know how to please your dad

If you stay on his side,
I will be gone for good
But I know, you'll take a ride
to my side of the neighbourhood

I am your Juliet
You are my Romeo
Your love gives me ride
like a rodeo (x4)

The only way
I can live my life is pain,
since I can't see you again
The secret place,
forbidden love, forbidden games
it lasted only days

lasted only days
lasted only days
lasted only days

I am your Juliet
You are my Romeo
Your love gives me ride
like a rodeo (x6)

I am your Juliet
You are my Romeo (x3)
