You don't know if I'm a jerk  
And you don't care if I go to work  
As long as I keep marching down  
Up and down your great grounds  
What's the use of saying what you mean?  
Just wash yourself and keep your body clean  
I know I got a dirty face  
I know I'm looking out of place  
I know I got up missing my shoes  
What am I suppose to do?

That's 1; I'm on the run  
That's 2; I don't know what I've done  
That's 3; you're telling me I'm still a baby

What am I doing standing here,  
Training to be a brigadier?  
You're telling me to be a man  
Why can't you just understand?  
What's the use in saying what you mean?  
Just wash yourself and keep your body clean  
I know I got a dirty face  
I know I'm looking out of place  
I know I got up missing my shoes  
What am I suppose to do?

That's 1; I'm on the run  
That's 2; I don't know what I've done  
That's 3; you're telling me I'm still a baby  
That's 1; I'm on the run  
That's 2; I don't know what I've done  
That's 3; you're telling me I'm still a baby  
A baby, a baby, a baby

That's 1; I'm on the run  
That's 2; I don't know what I've done  
That's 3; you're telling me I'm still a baby  
That's 1; I'm on the run  
That's 2; I don't know what I've done  
That's 3; you're telling me I'm still a baby  
A baby, a baby, a baby
