I remembered when they told you that you had to leave
it out
That the King's Road fade on a Saturday; that's what
it's all about
The 100 Club on Monday was the only place to be
Bultex on a Tuesday; what else did you need?
Everybody's rocking to the rhythm of the reggae sound
No one wants to get left out, everyone's around

Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?
Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?

Are you in it for a love, boy? Are you in it for the
change?
Are you in it for anything? Well, I'm in it all the same
My band upon my back, son; we're back there again
today
It's not the same as the last one, but anything makes a
change
Now everybody's dancing to the motor city beat
You got to look real sharp, boy; you got to move your
feet

Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?
Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?

Well, there they caught you skanking to the sick new
bleeding fun
Everything's just dandy; just stay and fucking run

Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?
Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?

Is there a mod?
Are you a skin?
The punk rockers, we're hearing it again
Is there a mod?
Are you a skin?
The punk rockers, we're hearing it again
