you, you make everything alright
you, you know you make me feel alive
you, you're with me through those ups and downs
You turn it around

you you, you, you, oh I really love you

Chorus:

I give my love to you

I give my love to you

I love the things you do

I'm so in love, so in love, so in love with you

Verse 2:

you, I cant get you outta my mind

you, you're such a supernatural high

you you, make me wanna scream and shout

You turn me inside out

you you,you,you, oh I really love you

Say Say-

Verse:

You turn me inside out

You turn my world around

Its me you love you do

You know you do, You know you do

When I think of all the times you held me up

Going the extra mile just to show your love

Not a moment you weren't there beside me

So I'm proud to say you're the one for me

Chorus:

I wanna say say

All I want is you, you, you

Shout it out, Hey! Yeah!

You're everything
