Lately Iâ€™ve been thinking bout maybe driving
To show you how crazy I am
About ya, Iâ€™ll turn the coupe on like a voucher
And bounce cuz I ainâ€™t too strong here without ya
So baby girl just listen
When I miss ya the distance is non existent
Youâ€™re everything a don is missing
And thereâ€™s more in the sea, but I stopped being fond
of fishing
Itâ€™s hard when Iâ€™m lonely, but Iâ€™d rather talk to you
Instead of tryna meet broads with my homies
Iâ€™m only a king while I call you my queen
I wonâ€™t let these other girls start to dethrone me
And even though weâ€™re not at the same castle
Just know we share the same kingdom
Being without you daily is a hassle
But Iâ€™d rather wait than be single

(Chorus)

Boy you make me so crazy
But unfortunately youâ€™re far from me again
And I know itâ€™s hard for you baby
But please fight for us, and donâ€™t let distance win

Wait for you if you wait for me
Iâ€™ll be here for you faithfully
Iâ€™ll wait for you if you wait for me
Just donâ€™t let distance win

Wait for you if you wait for me
Iâ€™ll be here for you faithfully
Iâ€™ll wait for you if you wait for me
Just donâ€™t let distance win

Soon Ima hold you close
Just wait cuz we got a long road to go
But when that happens and weâ€™re both laughing
I canâ€™t wait to say I told you so
And Iâ€™m glad we both like to laugh and joke
Cuz every time we smile our passion grows
And though nobody has to know
I brag cuz youâ€™re bad and thatâ€™s why I have to boast

I tell everybody if they had a view of you
They'd feel you too and agree you're beautiful
See it's wrong to conceal the truth
That's why I expose you cuz you're fly
Told you I don't lie
Trust me your boy is older
I'm more than grown up, plus I'm really feelin' you
ma
So baby girl if you ever need a organ doner
Don't trip, I'm ready to give you my heart

(Chorus)

Boy you make me so crazy
But unfortunately you're far from me again
And I know it's hard for you baby
But please fight for us, and don't let distance win

Wait for you if you wait for me
I'll be here for you faithfully
I'll wait for you if you wait for me
Just don't let distance win

Wait for you if you wait for me
I'll be here for you faithfully
I'll wait for you if you wait for me
Just don't let distance win

No worries, me being a playboy's stopped
No bunny will hop in your spot
Cuz I'm no dummy, girl I will not
Try to do wrong and make you move on
No money but it pays to wait
So no honey's gonna take your place, no way
A future without you I'd hate to face
Plus, nobody can replace you babe
Trust, if you hear I'm seen with a few broads
cuz sweetheart I'd never take it too far
Just let all that pass, if I wanted all that Jazz
I would've moved to Utah
I'm faithfully yours, wait for me or
Tell me cuz your thoughts are making me pause
When I'm around these other females
Cuz girl I believe that we can prevail

(Chorus)

Boy you make me so crazy
But unfortunately you're far from me again
And I know it's hard for you baby
But please fight for us, and don't let distance win

Wait for you if you wait for me

Iâ€™ll be here for you faithfully
Iâ€™ll wait for you if you wait for me
Just donâ€™t let distance win

Wait for you if you wait for me
Iâ€™ll be here for you faithfully
Iâ€™ll wait for you if you wait for me
Just donâ€™t let distance win
