Raaawr

This could be the end of the system  
This could be the end of fashion  
This could be the end of who the hell cares  
This is my life!

Do i really know what im doing  
Do i really know where im going?  
I shiver shake shudder who makes my mistakes  
This is my...life!

Over... and overexposed  
I've seen to much  
over... and overexposed  
I've seen to much

This could be the end of the system  
This could be the end of fashion.... Raaawr  
This could be the end of who the hell cares  
This is my life!  
Do i really know what im doing  
Do i really know where im going?  
I shiver shake shudder who makes my mistakes  
This is my...life!

Over... and overexposed  
I've seen to much  
over... and overexposed  
I've seen to much

Get over it!  
ahha!  
Get out, get out!

Get over it!  
ahha!  
Get out, get out!

Get over it!  
ahha!  
Get out, get out!

Get over it!  
ahha!  
Get out, get out!

overexposed  
I've seen to much  
overexposed  
I've seen to much
