Step up out the car lookin hot-hot
What!
You don't like my drop top?
Yes!
These are real Dior shades-
Quit playin' your games this ain't an arcade.
Don't be mad if you get my middle finger
Wait a second while I answer to my ringer...
(Onlooker calls 9-1-1)
Operator: 9-1-1, state the emergency.
Caller: Oh my god, this bitch just tried to steal my
swag!

Everybody lookin' at me
Checkin out the way I do me
He can't stop from gettin at me
I guess it's just my swagger
Everybody lookin' at me
Can't believe they way I do me-
Livin, shitin' life in HD!
Ahh, it is what it is!

(Nicki Minaj Verse)
Uh, yo, ok, ok
I was on my way to school-- I do's me
I hopped out the drop grabbed my juicy
I hopped, skipped and jumped past them hoopies
But wait- I forget to grab my looseleaf!
I doubled right back, ba-back like 'who's that?'
I did a little dance like kat-ba-boom-kack
I loved how the jocks be watchin me-me
So I gabbed my crotch and said he-he
I be like bum stickity bum while I pop my gum
They lookin' dumb-diggity-dum think they stoppin
somethin'
I said, excuse me honey, I'm the Bugs Bunny--
Elmer Fud ain't got my karats, he ain't got nothin' for
me!
Cuz we the mean girls, get yes, we're so fetch
And when we in the yard, be jumpin double-dutch
We back to the future, Pearl you're with the best!

Ahh, it is what it is!

(Repeat chorus)

I get up to the plate, I don't twitch
Never gon stop this!
Let's have fun, I won't snitch
All my real people gon rock this!
Why U wanna go and hate on me?
I got ability
Don't wanna have to whip your ass!

Everybody lookin' at me
Checkin out the way I do me
He can't stop from gettin at me
I guess it's just my swagger
Everybody lookin' at me
Can't believe they way I do me-
Livin, shitin' life in HD!
Ahh, it is what it is!
