Sometimes on a Dead End street,
No names to the faces I meet;
But it's you I need,
Tell me that I'm crazy
Sometimes I want to feel your touch,
Steal your love;
But if I ask too much,
Tell me this is nowhere, no one knows that this is here
(no one ever knows)

But I'd run away if only I could dream somewhere,
somehow, you're a part of me
Only if I could dream

Sometimes I want to reach so high, Embrace the sky;
Wonder why
This is now and no one ever knows that this is here
(No one ever knows that this is here) (no one ever
knows)

But I'd run away if only I could dream,
Somewhere, somehow, it's a part of me;
They say that some things never change; but it's
changing you
Only if I could dream

... Sometimes on a Dead End street it's you I need
Tell me that I'm crazy

Somewhere, somehow
They say that some things never change
But it's changing you
They say that some things never change
Just like Blue on Blue
