A token of affection. A golden circle of apprehension.

Take a bow.

You've helped me ponder through countless waltzes
and affairs.

A token of affection. A golden circle of apprehension.

Take a bow.

You've helped me ponder. Now we rub cuts to toast this
moment.

Not to take this, damn it, not to take this...

Not to take this lightly. So do not underestimate.

A token of affection. A golden circle of apprehension.

Take a bow.

You've helped me ponder through countless waltzes
and affairs.

A token of affection. A golden circle of apprehension.

Take a bow.

You've helped me ponder. Now we rub cuts to toast this
moment.

Not to take this, damn it, not to take this...

Not to take this lightly. So do not underestimate. Not to
take this.

Damn, you will not break this. No to do this lightly.

So do not underestimate us. Go!

Snaps exchanged for my kicks as we whistle the theme
to Route 66.

Route 66. As we whistle the theme.

A show for the shoguns, whose grace graces no one
with even less regard.

A show for the shoguns, whose grace graces no one.
With snaps for goodbyes and smothers for hellos.

A show for the shoguns, whose grace graces no one

A show for the shoguns, whose grace graces no one.

With snaps for goodbyes and smothers for hellos. A
show for the shoguns.
