Last week when you were crusin  
Your best friend moved on me once again  
I didnt wanna tell you  
So i just kept it to myself

[Chorus]  
You should really know  
I aint playin you  
Babe u gotta know  
Cos your love is all im living for  
N if you look into my eyes then you will know  
Oh baby you should really know

Im mad you'd think id hurt you  
Cos your love means everythin to me  
N i aint keepin secrets no no  
Im jus keepin to myself

[Chorus]  
You should really know  
I aint playin you  
Babe u gotta know  
Cos your love is all im living for  
N if you look into my eyes then you will know  
Oh baby you should really know

Do you think i want you to leave  
When you mean so much to me  
But if you dont want to stay  
Then just let go of me  
If you're better off that way  
If you dont put trust in me  
If u believe what people say  
you're the only one i see

Well you know that i gotta ya  
Anything that u do boy u know i support ya  
How could u think i could do this to u  
I thort wifey would mean more to u  
I aint tryin to say i werent there that day  
Im jus tryin to say it didnt happen that way  
Naila Boss the name is true

the game is true  
You know i belong to you  
But if you're tryin to give ultimatums  
Then this right here is the point that im makin  
Do your thing il be your wife  
Missing text  
Cos the love that we shared was so rong  
Shame cos i felt that it was so strong  
It okay make your moves  
Cos i know you'll be back in a week or two

[Chorus]  
You should really know  
I aint playin you  
Babe u gotta know  
Cos your love is all im living for  
N if you look into my eyes then you will know  
Oh baby you should really know
