Boom

My heart goes boom  
When I see you today  
When I see you this way  
My heart goes boom

Hold

Come and hold me tight  
I don't want it to go away  
I don't want it to go away  
If it takes my life

Boom

My heart goes boom  
When I see you this way  
When I see you today  
My heart goes boom

Boom

My heart goes boom  
I don't want it to go away  
I don't want it to go away  
My heart goes boom

And I know that I would rather  
Die than fade away  
And I want to be beside you  
Until my dying day

My heart goes boom

Boom boom boom let me hold you baby  
Boom boom boom let me take you maybe  
I know I'm not the kind of low life, your gonna stay with  
baby

Boom boom boom let me hold you baby  
Boom boom boom let me take you maybe  
I know I'm not the kind of low life, your gonna stay with  
baby

Boom

My heart goes boom  
When I see you today  
When I see you this way

I know I'm not
