Region of the evil is ny fate of the devil
Mind of the icon, my icon of dead
My religion and my aggression
My posession, it's posession of darkness

Prince of darkness
Is god of darkness
Mind of darkness
Obey! Already dead

Mass of darkness
Posesses to you
My father is your hangman

My pleasure is your pain

In human behaviour are the evil's jokes
Predilection for killing the senselesses must die
Promise the bequest of darkness land
I will make the necromancer's sacrifice

God of darkness
Evil-minded prince of darkness
Take the souls
Of his dead slaves
