Ohhh Ohhh Ohhh  
Ohhh Ohhh Ohhh

Some people say that I want you for your money  
but I really want you for your body (yes oh yes)  
Pleased to meet you baby, I wanna be your honey  
So let's go tell your daddy and mommy (yes oh yes)

This won't get any easier now  
That your heart is beating in my hand  
And I'll try not to desroy you baby  
Even though we both know I can  
Oh, you know I can

Make love with the lights on, baby  
Tell me what you see  
Clear the bed to lie on, darling  
Make a mess of me  
Here's my dress to try on, baby  
Let me be your man  
I will call you pretty, darling  
Tell me what I am

Ohhh Ohhh Ohhh  
C-c-c-can I have your number? Can I have you, baby?  
Can we run away together? (yes oh yes)  
I will walk on water, I will walk on fire  
I will sell my soul to the devil (yes oh yes)

This won't get any easier now  
That your heart is beating in my hand  
And I'll try not to destroy you baby  
Even though we both know I can  
Oh, you know I can

Make love with the lights on, baby  
Tell me what you see  
Clear the bed to lie on, darling  
Make a mess of me  
Here's my dress to try on, baby  
Let me be your man  
I will call you pretty, darling

Tell me what I am

(yes oh yes)

(yes oh yes)

(yes oh yes)

(yes oh yes)

Make love with the lights on, baby

Tell me what you see

Clear the bed to lie on, darling

Make a mess of me

Here's my dress to try on, baby

Let me be your man

I will call you pretty, darling

Tell me what I am
