When you come through Pinebluff-
You better ride on by-
When you get to Aberdeen-
You better rise and fly!

Â'Cause the cops will get you-
TheyÂ'll run you down-
And when they get you-
YouÂ're Carthage bound!

Cornbread and molasses-
Thrown in your face-
When you see that judge-
He said 30 days!

With a pick and shovel-
Put in your hand-
When you get out-
YouÂ're just a worn out man!

So stay out of Pinebluff-
TheyÂ'll run you down-
And when they get you-
YouÂ're Carthage bound!
