I feel your heart, it's beating time with mine
You thought love, love, love was on the line
He holds you down but I know you want to run
But you're hot, hot loaded like a gun

Oh you feel, oh so trapped and confused
Start with nothing, you've got nothing to lose

You can never, never, never, ever
Never, never, never, ever hide your heart
Don't ever, ever, ever, ever try

If you don't give your heart wings
You'll never, never, never ever
Never, never, never ever fly

Break down the walls well, you've got to cut the ties
Well, there's pain, pain burning in your eyes
It's time to fight well, it's time for tearing free
Well come, come runnin' straight to me

Oh, you know he don't love you like I do
Don't make believe that you don't feel it too

You can never, never, never ever
Never, never, never ever hide your heart
Don't ever, ever, ever, ever try, woah, oh, no

If you don't give your heart wings
You'll never, never, never, never
Never, never, never ever fly

You'll never fly, if you want you can fly
