Cry - cry - cry - cry
Cry - cry - cry - cry

When your baby leaves you all alone
And nobody calls you on the phone

Don't you feel like you're crying

Don't you feel like you're crying

Don't you feel like you're crying?
Hey come on
come on
cry to me.

When you're all alone in your lonely room
And there's nothing but the memories of him

Don't you feel like you're crying

...

When your baby leaves you all alone

...

Hey
don't you feel like you're crying

...

Nothing can be sadder than a glass of wine alone.
Loneliness
oh loneliness
is such a waste of time.
You don't ever have to walk out alone
don't you see?
So come one and take my hand

Oh
baby
wan't you walk with me?

When you're waiting for a voice to call
In the night where there is no one to take your hand

Don't you feel like you're crying

...

Cry - cry - cry - cry

...
