I captured your heart and then I went away

From the beginning I planned not to stay

What kind of love do I have it's a puzzle to me.
You were possessive and jealous of me

You are the man
so you have to be free.
What kind of love that we feel it's a puzzle to me.
This strange kind of love that we feel
It's a puzzle to me.
I don't know why I treat you so bad

I don't know why you make me so sad

I don't know why we waste all our time

I don't know why our love is so blind

I don't know what it is that we have

I don't know
said I don't know
I don't know

I don't know
I don't know
I don't know.
We met in a disco three years ago

You wanted to marry me
but now I don't know.
What kind of love do I feel - it's a puzzle to me.
This strange kind of love that we feel
It's a puzzle to me.
