I need you
you
you - I need you
you
you

I need you
you
you - I need you
you
you
I need you.
Everybody needs somebody
everybody needs somebody
To love - someone to love - and

I need you
you
you - I need you
you
you

I need you
you
you - I need you
you
you

Miss your heart
I feel so bad

Deep down in my heart
yeah
I feel sad.
Lonely tears I cry all the time -
When you're with me
baby
I feel fine.
I need you
you
you - I need you
you

you
I need you.
Everybody needs somebody
everybody needs somebody . . .
I need you
you
you - I need you
you
you
. . .
