Verse

They Build a house out of a deck of cards
Make you think you own it
But by the time that story ends
you've blown it
disowned it, it's not real

Chorus

Ooooooh Why
Do i see jimmy on a butterfly
with you??

Verse

There pullin' down the mountains now
to show you whats inside
the only guy worth countin on
has left a widowed bride
As you sail into the air
you drop your mind behind
if your soul is still alive
I'll meet it on the corner bout a quater to five.

Chorus

Ooooooh Why
Do i see jimmy on a butterfly
with you??

Keep sailing by
Across the sea into a barren sky
Just you.....
And your with me to

Chorus

Ooooooh Why
Do i see jimmy on a butterfly
with you??
