Give it a chance  
We can love again

In my crazy world  
I gave you everything you wanted babe  
You said you loved me  
I Said I loved you too  
Even in the craziest times  
When we fault we made love  
I held you closely  
You opened up your heart to me

Time after time we dealt with it  
This time I know were see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Time after time we dealt with it  
This time I know were see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Oo oo were moving to fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
is all the things of the past  
Give it a chance  
We can love again

We can work it out  
We can work it out  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)

Don't be hasty girl  
Cos when I'm gone you miss me  
Don't try to push me  
Cos you are my babyboo  
Tell me what I've done  
To make you feel un easy  
Cos I'm falling for you

I raise my hand I'm guilty

Time after time we dealt with it  
This time I know we see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Time after time we dealt with it  
This time I know we see it through  
You'll always be the one for me  
Baby girl I'm feeling you  
Oo oo were moving to fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
Is all the things of the past  
Give it a chance  
We can love again

We can work it out  
We can work it out  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)

Give it a chance so we could work it baby we could work  
it out  
Give it a chance so we could work it baby we could work  
it out  
Give it a chance so we could work it baby we could work  
it out  
Give it a chance so we could work it baby we could work  
it out  
No matter what you say  
Or what you do  
The time has come  
For us to see this through  
No matter what you say  
Or what you do  
The time has come  
For us to see this through

Oo oo were moving to fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
is all the things of the past  
Give it a chance  
We can love again

We can work it out

Oo oo were moving to fast  
Trying to get through  
Like walking on broken glass  
Just shoo and move  
is all the things of the past  
Give it a chance  
We can love again

We can work it out  
We can work it out

Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance  
We can love again (love again)  
Give it a chance
