these niggas dont get it man
aight, they gon get it

i aint never been no lyin ass nigga i keep my shit quiet i
aint tryin to brag with you see back in highschool we
had the flyest class bitches see back in highschool you
was some bitin ass niggas
i was cool with the thugs i was cool with the bitches you
ran from the thugs you was cool wit some bitches i
guess it all means me and you have a difference im a
shark in the water you just food to the fishes im cruel
and im vicious you look suspicious the type of nigga
winking at you dudes blowin kisses go against the
squad you aint using your sense i'll murder and tape
and let the news be the witness dont wanna hear about
your tools in the kitchen or how you flip wait you go to
school study business what is this i dont get this
neither does the general consensus we stickin up your
business my niggas fittin to witness the only thing you
get more minutes is on the benches pac div in case you
niggas just missed us holla back if you niggas fucks
with us its just pac divy and thats if we allow you to
address you bowin to the best lay challengers to rest
hope your calenders are set we makin all this noise
before the albums even pressed and niggas wait til
now to be impressed in 06 we were sounding this fresh
so leave the crown where its kept bitch niggas get a
crown and barrets rich niggas get a pound and respect
snitch niggas get the sound of a tech west coast in the
house nigga yup best believe we out fittin to rep pac
