I cried in the Rain, nobody noticed.
I cried on the train, nobody noticed.

City's anonymity, you can say it suits me.
I cried for my freedom I cried for my loss
I cried for what could have been, I cried for what's not.

Cried in the rain, nobody noticed.
Cried on the train, nobody noticed

City's anonymity, you can say it suits me.
I cried for my freedom I cried for my loss
I cried for what could have been, I cried for what's not.

I can't reach out- I'm not my mother's baby,
I can't reach out, I'm not the baby

I'm going, i'm going, I don't know where I'm going
I'm going I'm going, I don't know where I'm going

Oh nobody noticed.
Oh nobody noticed.
