Boggy Bottom Bigfoot
(Chorus)

Someone saw a Bigfoot down on Boggy Bottom
And they say that he's almost nine feet tall
Bet he holes up in a cave there in Bugaboo Canyon
And he ain't afraid of anything at all
Every mother's son from Rattan to Tishomingo
Is locking doors and loadin' their shotguns
Someone saw a Bigfoot down on Boggy Bottom
If you see him . . don't hang around .. run

(Verse 1)

Wonder why the Bigfoot chose this part of Oklahoma
All the good citizens of Atoka County say
As each day takes it's toll on the diehard non-believers
They ask themselves if he ain't real what else could
scream that way

(Verse 2)

With the moon behind the clouds it gets hard to hide
your fears
Down on Boggy Bottom Sasquatch is waiting there
You can call it Urban Legend You can say you don't
believe
When dark shadows move you still question what you
see .. cause

(Chorus)

Someone saw a Bigfoot down on Boggy Bottom
And they say that he's almost nine feet tall
Bet he holes up in a cave there in Bugaboo Canyon
And he ain't afraid of anything at all . . . and
Every mother's son from Rattan to Tishomingo
Is locking doors and loadin' their shotguns
Someone saw a Bigfoot down on Boggy Bottom
If you see him . . don't hang around .. run
