Ahhhhh...Â...

You are no Angel  
Though you've got those blue eyes  
But there is some magic  
The way you use those sighs  
And I still want ya  
God only knows just why  
You are no Angel  
When all you do is lie

You are no Angel  
Though I've seen you flyin'Â'  
You need a Halo  
Even though you're cryin'Â'  
But don't think I like it  
KnownÂ' that it's true  
The things theyÂ're sayin'Â'  
About the things ya do

You are no Angel (Be my Angel be my love)  
But there is some magic (Be my Angel be my love)  
And I still want ya  
God only knows just why  
You are no Angel  
When all you do is lie

(INSTRUMENTAL) Ooooo  
Ooooo

And I still want ya  
God only knows just why  
You are no Angel  
When all you do is lie

You are no Angel (Be my Angel)  
Though you've got those blue eyes  
But there is some magic (Be my Angel)  
The way you use those sighs  
And I still want ya (Be my Angel)  
God only knows just why (Oh Yeah!)  
You are no Angel  
When all you do is lie

You are no Angel (yeah, hey)  
Though you've got those blue eyes (Got those blue  
eyes)  
But there is some magic (Be my Angel)  
The way you use those sighs (Oh Yeah!)  
And I still want ya (Be my Angel)  
God only knows just whyÂ...Â...Â...Â...Â....
