It's so clear now,
I'm understanding.
And the furniture,
Matches the ceiling.

If it was different then,
Then what you expected.
Will you pardon me?
I wasn't elected.

(Chorus)
I know it's difficult so,
I will be patient.
I guess we have to ask that,
If it's ok, yeah.
I'll make it easy for you,
What a disaster.
Maybe it's better off this way.

Better off this way..

It's a task and then,
When you complete it.
Where you lonely when,
I wasn't needed?
'Cause it's natural,
To feel unfaithful.
When you're going to be anyway.
Ah-ah

I know it's difficult now,
But you can try to.
Was it worth all the fuss?
'Cause I feel so seedy.
I'll make it easy for you,
What a disaster.
We couldn't go any faster.

I never wanted anything. (x3)

Ah-ah
I never wanted

I never wanted
I never wanted
I never wanted
I never wanted
I never wanted

Uh-uh, uh-uh, uh-uh.
