One time our love was like the way doves cry before  
they fly away  
That's why I never wanna say goodbye to anything I try  
God damn these insecurities god damned by life's  
impurities  
Why can't we just be cute?  
I don't know  
I don't know, but here we go

Ooh ooh ooh ooh ooh

Back then when we were here before there was  
imaginary war  
Our minds were occupied with their landslide of  
emotional decline  
Don't cry little buttercup  
That's right we can stitch it up  
Cause that's how hearts that bleed survive  
I don't know why but we gotta try

Ooh ooh ooh ooh ooh ooh ooh

I never could be like what I wanna be  
I never could be like what I wanna see  
I never could be like what you wanna be  
I never could be like what you wanna see  
See in me a lie, it's a lie  
But I'll try to be black and white next time  
I would do anything if I could right now  
Change anything if I just knew how  
Do anything if I could right now but I won't let go  
I would say anything if I \_\_\_\_\_  
Promise you queen if you promise me king  
[I would] do anything if I could right now but I won't  
let go  
I won't let go  
Cause you'll know it's a fact I won't let go, I won't let go,  
I won't say no  
Cause you will always be my one \_\_\_\_\_?
