I'm sorry, I can't afford you. It's so messed up anyway.  
It's kind of sad; I can't reward you. It's so messed up  
anyway.

But in another time, and in another place, I'm gonna  
tell you to your face  
'You ran in circles, and what a stupid waste, cause I'm  
the one you need.'

I saw the future; I made it up. You were too young to be  
awestruck.  
Paper hearts; we tore the tissue  
Ripped apart, and now I'm missing you

But in another time, and in another place, I'm gonna  
tell you to your face,  
'You ran in circles, and what a stupid waste, cause I'm  
the one you need.'

But you're safe, and say you'll let me stay; I need to  
feel this way  
I know it's so cliché, but I'm tired inside each day  
And I know you're thinking 'Oh, God, what a waste.'

But in another time, and in another place, I'm gonna  
tell you to your face  
'You ran in circles, and what a stupid waste, cause I'm  
the one you need.'  
... I'm the one you need ...  
... I'm the one you need ...
