She left her sweater  
I'll get her number  
I'll get her here for forever  
Maybe by the weekend  
She'll be my girlfriend  
i get retarded...

Girl of my dreams  
Sit next to me  
Night at my house group of friends watch TV  
Heard she likes me  
Have a feeling  
Can't watch this film coz I hope this will be  
A moment in time i can put in my sampler and loop it  
Forever and ever coz i feel so good it's stupid

She left her sweater  
I'll get her number  
I'll get her here for forever  
Maybe by the weekend  
She'll be my girlfriend  
I get retarded just hopin'

Girl of my dreams  
Sit next to me  
Neither of us know what to do to proceed  
Hand by her knee  
Trying to read  
Thoughts on her face as i look, suddenly  
Something will happen if we continue like this  
It's this knowledge and feeling that makes this part the  
nicest.

Maybe i'll hold her hand.
