(verse 1)

I woke up in Tennessee a million miles away  
From this place that i hate so bad this place where i  
stay

She was right beside me with flowers in her hand  
She was only 17 and i was a man

(verse 2)

Driving out to oregon a suitcase in the back  
Two of us in a little bus and a bag of snacks  
Angels, demons, everyone trying to catch a ride  
For this was a bus that led to my paradise

(chorus)

Sometimes I cry  
Sometimes close ones die  
Sometimes I wonder why I live

(verse 3)

Another flight home in this plane inside my head  
Hey, Mr. Tamborine Man i remember what you said  
Don't leave the music the music that i made  
The little cymbals crashing on the pillow where i lay

(chorus) (2x)

(bridge)

Don't leave my head I'm lonely without you in my eyes  
If you give up on me, I can't go on because your my  
only hope

(chorus) (2x)
