Goold/Gardener/Gray

Divine intervention Spirit Dwelling  
12 - Eleven the clocks are a ticking  
The holes that we're drilling  
System collapse fatigue and meltdown  
Forget the Television with no Earth no Spirit chasing  
The beauty we're wasting  
To pay the price for your sensory perceptions yeah  
yeah

We're all to hung up on erections  
Yeah Yeah yeah  
We're all to hung up on erections  
Yeah yeah  
We're all to hung up on erections  
Yeah yeah
