Now listen up tonight,
I know I'm in your eye.
You haven't looked away, You will be mine.

There's no point in being shy,
Your modesty is a lie.
You're pretending not to care but I keep catching your
stare.

I know you're falling for me, faster than, my beating
heart
Let's cut this war of eyes, and start this, dance of lips...
oh yeah.

Oh you can't say, yo'ure not thinking the same.

I like the way you move towards me from across the
room,
and I can't make you say, baby come this way.
Come this way...

I know you're falling for me, faster than, my beating
heart
Let's cut this war of eyes, and start a, dance of lips... oh
yeah.
Jessika - Okay, here comes Kevin's "crazy antics".

Kevin - "You motherfuckers get your hands in the air."

You start to whisper words down my neck,
They crawl, and they crawl.
And you take my breath away,
You stare at me with such intensity.

You're holding me close, but you're not letting go.
You're not letting go.

And this dance has begun...

I know you're falling for me, faster than, my beating
heart
Let's cut this war of eyes, and start a, dance of lips... oh

yeah.
