U no i never

just to see u n i no u can not wait
a wait to see me to
i gotta touch u
cuz baby we'll be at the drive in
in the old man's ford
bhind the bushes untill im screamin for more
down the basement lock the cellar door
n baby talk dirty to me
ya no i call u
i call u on the telephone
im only hopin that ur home
so i can hear u
when u say those words to me
n whisper so softly
i gotta hear u
cuz baby we'll be at the drive in
in the old man's ford
bhind the bushes untill im screamin for more
down the basement lock the cellar door
n baby talk dirty to me
cc pick up that guitar n talk to me
(guitar solo)
cuz baby we'll be at the drive in
in the old man's ford
bhind them bushes until im screamin for more more
