What's got you so jumpy?
Why can't you sit still, oh yeah?
Like gasoline you wanna pump me
And leave me when you get your fill, oh yeah

Every time I touch ya you get hot
I want to make love you never stop
Come up for air you pull me to the floor
What's been going on in that head of yours

Chorus:
Unskinny bop
Just blows me away, yeah
Unskinny bop, bop
All night and day
Unskinny bop, bop, bop, bop
She just loves to play
Unskinny bop nothin' more to say
You look at me so funny
Love bite got you acting oh so strange
You got too many bees in your honey
Am I just another word in your page, yeah, yeah

Every time I touch ya you get hot
I want to make love you never stop
Come up for air you pull me to the floor
What's been going on in that head of yours

Chorus
Unskinny bop
Just blows me away, yeah
Unskinny bop, bop
All night and day
Unskinny bop, bop, bop, bop
She just loves to play
Unskinny bop nothin' more to say

You're sayin' my love won't do ya
But that ain't love written on your face
Well honey I can see right through ya
Yeah who ridin' who at the end of the race
What's right

What's wrong
What's left
What the hell is going on

Chorus
Unskinny bop
Just blows me away, yeah
Unskinny bop, bop
All night and day
Unskinny bop, bop, bop, bop
She just loves to play
Unskinny bop nothin' more to say
