I'm alive for your glory
I'm alive to tell your story
For all you are

Let Your kingdom come now
Let Your will be done in my life
Have Your way

I live
All for Your glory
Your love and Your mercy
I'm living for your name

My whole life
I'm living for you God.
My one love
You are the only one I see
I'm living for You
Only for your name
I'm living for You
And the glory
The glory of your name

I'm alive for Your glory
I'm alive to tell Your story
For all You are

Let Your kingdom come now
Let your will be done in my life
Have your way
I live all for Your glory
Your love and your mercy
I'm living for your name
I live all for your glory
Your love and Your mercy
I'm living for Your name

My whole life I'm living for You God
My one love You are the only one I see
I'm living for You
Only for Your name

I'm living for You
And the glory, the glory of Your name
Yeah yeah
I live for You

Jesus, all that matters, is the glory, of Your name
Jesus, all that matters, is the glory, of Your name
Jesus, all that matters, is the glory, of Your name
Jesus, all that matters, is the glory, of Your name

My whole life
I'm living for You God
My one love
You are the only one I see

I'm living for You only for Your name
I'm living for You and the glory, the glory of Your name
Yeah yeah
I live, for you... â™™ « â™™ «
