"For All You've Done"

All my life I've dreamed of this place
I've finally found my home
A place that I can run into Your arms

Here I stand, lost in Your embrace
My heart is overcome
Cause You've taken me
And turned my world upside down

As I long for You
You take me in Your arms
As I worship You
Wanna thank You for the things
You've done in me

For all You've done
I will lift my voice and shout aloud Your praise
For all You've done
In our hearts our lives will never be the same

For all You've done
I will tell the world of what You've done in me
Our hearts we give to You
With our lives we shout Your praise
For all You've done
