I stand in this place and lift
Up my eyes to see
The glory of Your face

My God, how wonderful You are
How beautiful Your name
It calms the raging seas

With open arms I run into Your courts
I'll dance before You King of all the earth

I stand in this place and lift
Up my eyes to see
The glory of Your face

My God, how wonderful You are
How beautiful Your name
It calms the raging sea

With open arms I run into Your courts
I'll dance before You King of all the earth
You're great, great and mighty
King of glory, God of wonder
You're great, Ancient of Days
Keeper of my heart, lover of my soul

You are great and mighty
You are great and mighty
You are great and mighty
You are great

With open arms
With open arms I run into Your court
I dance before You King of all the earth

With open arms I run into Your court
I dance before You King of all the earth
King of all the earth

You're great, great and mighty
King of glory, God of wonder

You're great, Ancient of Days
Keeper of my heart, lover of my soul

You're great, great and mighty
King of glory, God of wonder
Oh Lord You're great, Ancient of Days
Keeper of my heart, lover of my soul

You are great [Repeat 8 times]
