Holy One, Prince of Peace,  
Great and mighty is Your name.  
All I need, is found in You.  
Come and touch my heart again.

I will lift my hands to You.  
I will lift my hands to You.

Here I stand,  
Lord I pray,  
Let your glory fill this place,  
Here I'll worship touching heaven.  
Lord I long to see Your face.  
Here I stand.

Holy One, Prince of Peace,  
Great and mighty is Your name.  
All I need, is found in You.  
Come and touch my heart again.

I will lift my hands to You.  
I will lift my hands to You.

Here I stand,  
Lord I pray,  
Let your glory fill this place,  
Here I'll worship touching heaven.  
Lord I long to see Your face.  
Here I stand.  
Lord I pray,  
Let your glory fill this place,  
Here I'll worship touching heaven.  
Lord I long to see Your face.  
Here I stand.

I will lift my hands to You.  
I will lift my hands to You.

Here I stand,  
Lord I pray,  
Let your glory fill this place,

Cause here I'll worship touching heaven.  
Lord I long to see Your face.  
Here I stand.  
Lord I pray,  
Let your glory fill this place,  
Cause here I'll worship touching heaven.  
Lord I long to see Your face.  
Here I stand.
