All my hopes  
And all my dreams  
God I lay them at Your feet  
'Cause all I want is You

All I have  
And all I am  
I surrender every part of me  
'Cause all I want is You

Pre-chorus  
Take my life  
Take my everything  
Take my heart  
Take every part of me

Chorus  
God I give my heart, my life to You  
And I'll never stop (NO!)  
Never stop giving it all to You  
(repeat)

Bridge  
'Cause all I have is Yours  
And all I am is Yours
