Verse:

Hear you voice  
A gentle whisper  
Calls from deep within  
On my knees my heart it cries out  
I'm longing to draw near  
Hide me now under the shadow of Your wings  
Lord into your presence I will run

Chorus:

Take me away with you  
I wanna be close to you  
Take me away into the secret place

Take me into your arms  
Here in your presence I belong  
Take me away into the secret place

Bridge1:

Let Your glory fill this place oh god  
Fill this place

Bridge2:

Ohhh Lord  
The secret place  
Wanna go there with you  
The secret place  
Ohh want you take me there Lord
