verse 1

Here I stand my life Before You
Can't believe the price you paid
Gave it all just for me

I lay my life upon the alter
Take me now
I place my life in your hands

King Of Heaven
You're my saviour
You left Your place of glory
Giving your life just for me

How could i ever repay you
You came into my life lord
You set me free

Everything i am i give to you
You are Holy Holy
Take my life and everything i do
You are Holy Holy
