It started when an alien device did what it did  
And stuck itself upon his wrist with secrets that it hid  
Now he's got super powers, he's no ordinary kid  
He's Ben 10.

So if you see him you might be in for a big surprise,  
He'll turn into an alien before your very eyes  
He's slimy, freaky, fast and strong, he's every shape  
and size  
He's Ben 10  
Armed with powers, he's on the case  
Fighting off evil from Earth or space  
He'll never stop till he makes them pay  
'Cause he's the baddest kid to ever save the day  
Ben 10
