i'm calling you off the ledge  
toes hanging over the edge  
if i were stronger  
i'd pick you up  
hold on a little longer  
it'd be enough to save you  
oh to save you

i wish i knew another way  
to save you  
but i've tried so many ways  
to save you  
i can only say  
i love you  
i love you

i'd banish away the storms  
go back like it was before  
i'd remove the clouds  
and turn the sky blue  
but baby  
i don't know  
what else to do  
to save you  
oh to save you

i wish i knew another way  
to save you  
but i've tried so many ways  
to save you  
i can only say  
i love you  
i love you

i know  
you'll come down  
you'll come down from there  
you keep saying  
it's a matter of time  
i know you'll come down  
you'll come down from there  
you keep saying

it's a matter of time  
i know you'll come down  
you'll come down from there  
come down from there  
it's a matter of time and  
i know you'll come down  
you'll come down from there  
you keep saying  
it's a matter of time and

i wish i knew another way  
to save you  
but i've tried so many ways  
to save you  
i can only say  
i love you  
i love you
