When you walked into the bar
Like a stolen star with a scar on your heart
I knew I'd do anything for you

And I could steal Buddha's money
To give you love and taste your honey
I think I'm gonna die in love with you
If you run away with me tonight

Wherever we go we will be
Reckless, pretty and wild
We could be famous baby
Just like Bonnie and Clyde
Wherever we go I promise you
One hell of a ride

C'mon sugar, c'mon sugar be my
Partner In Crime

It's a pretty night
For running wild
With the devil's eyes
I could be your alibi

And we could go crazy honey
And live live lovers in the stars on the money
I'd break into hell for you

So let's burn down this town tonight

Wherever we go we will be
Reckless, pretty, and wild
We could be famous baby
Just like Bonnie and Clyde
Wherever we go I promise you
One hell of a ride

C'mon sugar, c'mon sugar be my
Partner in crime

And if they catch us baby, I will do the time
And if they shoot me mama, I'll dream of you before I

die
When I do, you'll be wearing nothing but a gun and a
smile

C'mon sugar, c'mon sugar be my
Partner in crime
