## VERSE 1:

Have a hand on control, another reachin' the  
unknown,  
The space between: where I float.  
Expectations, TV stations,  
I am blind, you don't see.

After the smoke clears you know I will still be here.  
Once all the dust settles, I may be forever.

## VERSE 2:

"Tell me what you've done to the man I loved."  
"Well, I killed him a year ago."  
Give me every letter that you never thought I'd read,  
not ever:  
"Sorry I made you love me."

After the smoke clears you know I will still be here.  
Once all the dust settles, I may be forever.

## CHORUS 2:

I cannot stand to look back and ask, "What if this  
happened like that?"  
You say, "Don't worry, you need not."  
I cannot stand to look back and ask, "What if this  
happened like that?"  
You say, "Don't worry, you will not have to."

## VERSE 3:

After the smoke clears you know I will still be here.  
Once all the dust settles, I may be forever.  
After the smoke clears you know I will still be here.  
Once all the dust settles, I may be forever.

## CHORUS 3:

I cannot stand to look back and ask, "What if this  
happened like that?"

You say, "Don't worry, you will not have to.

You will not have to."
