I understand about indecision  
I don't care about the FBI  
People living in competition  
All I want is to have my peace of mind  
It's great to be here in this excellent city  
It's not too young and it's not too old  
The winter-loop sculptures are very pretty  
But we'd like it better if it wasn't so Kim Cold  
And when we say Kim, we don't mean the great Kim  
Band, we mean Kim Cold,  
fucking Cold.

THE ORIGINAL LYRICS TO PEACE OF MIND:

Now, if you're feeling kinda low 'bout the dues you've  
been paying;

Futures coming much too slow,  
And you wanna run but somehow you just keep on  
staying,

Can't decide on which way to go.

Yeah, yeah, yeah.

Chorus : I understand about indecision,

But I don't care if I get behind.

People living in competition;

All I want is to have my peace of mind.

Yeah.

O-o-oh.

Now you're climbing to the top of the company ladder,  
Hope it doesn't take too long.

Can't you see there'll come a day when it won't matter,  
Come a day when you'll be gone.

Chorus

Take a look ahead.

Take a look ahead.

Yeah, yeah, yeah, yeah.

Now everybody's got advice they just keep on giving.

Doesn't mean too much to me.

Lots of people have to make-believe they're living,

Can't decide who they should be.

Chorus

Take a look ahead.

Take a look ahead.

Look ahead.
