Oh it's so funny to be seeing you after so long, girl
And with the way you look, I understand that you are
not impressed

But I heard you let that little friend of mine
Take off your party dress

I'm not going to get too sentimental

Like those other sticky valentines

'Cause I don't know if you are loving somebody

I only know it isn't mine

Alison

I know this world is killing you

Oh Alison

My aim is true

Well, I see you've got a husband now

Did he leave your pretty fingers lying in the wedding
cake

You used to hold him right in your hand

I bet he took all he could take

Sometimes I wish that I could stop you from talking

When I hear the silly things that you say

I think somebody better put out the big light

'Cause I can't stand to see you this way

Alison

I know this world is killing you

Oh Alison

My aim is true
