(Dave)

Something I never would have known
Not knowing knowledge never ennobles
All her ideas were like smoke rings, I had to know
things
She was a tangle of questions

How many eggs make up a pound?
How many ears of corn in the niblets?

(Jian)

And how big was the bag?

(Dave)

I was a person who would censor "Pee Wee's
Adventure"
She was exceedingly liberal

(Mike, then Jian)

Was she?

(All)

And we fell in love
And the sunshine shone from the sunshine above
Fell in love, whole loaf love

(Dave, w/ "wide...wide" being sung during second line
by Jian & Mike)

Try not to think while your inside
Yes keep your wide eyes wide wide open

(Jian)

Keep your eyes open wide

(Mike)

Keep them wide

(Dave)

I made a meal of the lighting, this was exciting

(All)

We had a real urban drama

(Dave)
She always said it again

(Jian & Mike)
She always said it again

(Dave)
Just when she'd said it, that's when she'd say it

(Jian & Mike)
How's that again?

(Dave)
She said my pasta was delicious, bit repetitious

(All)
That kind of thing made me crazy

(All)
And we fell in love
And the sunshine shone from the sunshine above
Fell in love, whole loaf love

(Dave)
Take a look around, sun has gone down
And I've had a good time, have you had a good time?

(All)
I've loved without loss, I've put down my cross
You know what I know, an' I'm going go

(Dave, w/ "on fire" being sung by Jian & Mike)
She set my schoolhouse on fire
Down in the fire the angels are singing

(Mike, then Jian)
On fire

(Dave)
Notice a beautiful fire

(All)
Heavenly choir

Ahh...Ahh...Ahh...Ahh...

From the Liner:

Dave-lead vocal, guitar)
